If the Teacher does not attain Proficient Teacher accreditation within the time frame specified in (b) above, the Teacher will be paid as a Graduate until the Teacher achieves Proficient Teacher accreditation; on such date the Teacher will progress to Proficient based on his/her service.
- (d) If a Teacher fails to attain Proficient Teacher accreditation for Proficient Pending status they will not be eligible for any future approval for Proficient Pending status by an Employer under this Agreement other than in cases of exceptional and compelling circumstances, which will be assessed on a case-by-case basis.

For example: An overseas teacher with five years' full-time equivalent service who holds Provisional Accreditation with NESAs is initially classified as Proficient Pending and placed at Proficient Level 4. If after 12 months' full-time equivalent service they do not attain Proficient Teacher accreditation from NESAs, they will be paid as a Graduate Teacher until they attain Proficient Teacher accreditation. If such a Teacher then takes a further 13 months full-time equivalent service to attain Proficient Teacher accreditation, they will progress to Proficient Level 5. (Noting that service completed since the commencement of employment with the Employer counts as service for determining their Pay Point within Proficient Levels 1-5).

---

Except as varied by this clause, all other entitlements and requirements relating to parental leave under the Act shall apply. All periods of paid parental leave will count as service for the purposes of this Agreement, the Act and any other statutory entitlement. Periods of unpaid parental leave will not count as service.

### 14.1 Paid Parental Leave

- (a) A Teacher will be entitled to paid parental leave in accordance with this subclause if:
  - (i) they have an entitlement to and take parental leave under the Act; and
  - (ii) they will be the primary person responsible for the care of the child from the child's date of birth (being birth-related leave under the Act), or in the case of adoption (being adoption-related leave under the Act) from the child's date of placement with the Teacher.
- (b) The parental leave shall be paid for 14 weeks at the rate of salary the Teacher would have received, if the Teacher had not taken parental leave. (If the period of parental leave granted to the Teacher is for less than 14 weeks then the period of paid parental leave shall be for such lesser period). This period shall be inclusive of non-term periods falling within the 14 weeks, other than where a Teacher works up until the last day of a term in which case the paid parental leave shall be deemed to commence from the first day of the following school term. For the purpose of this paragraph, non-term periods shall not include the first four weeks of the school summer vacation period.
- (c) The Teacher may elect to be paid during the period of paid leave in **paragraph 14.1(b)** either in accordance with the usual Employer payment schedule or as a lump sum payment in advance.
- (d) Where a Teacher applies for a lump sum payment in advance under **paragraph 14.1(c)**, the Teacher shall give the Employer at least one month's notice of intention.
- (e) If a female Teacher has commenced paid parental leave and subsequently the female Teacher's pregnancy results in a miscarriage or a still birth, the Teacher shall be entitled to retain payment in accordance with this clause equivalent to salary for the period of parental leave taken by the Teacher.
- (f) Paid parental leave shall commence no earlier than one term prior to the expected date of birth, or in the case of adoption, from the date of the child's placement with the Teacher for adoption.
- (g) The Employer may deduct payment for any absence of the Teacher (to which the Teacher, but for this clause, would have been entitled under **Clause 13 - Personal/Carer's Leave**) in the period four calendar weeks prior to the expected date of birth from the payment of paid parental leave to which the Teacher is entitled pursuant to this subclause.

- (h) Non term weeks within the period of paid parental leave shall be deemed to be non term weeks worked by the Teacher for the purpose of **Clause 11 - Annual Adjustment of Salary** and **Clause 6 - Termination**.
- (i) A Teacher on paid parental leave in accordance with this clause will not be employed as a Casual Teacher by the Employer during such paid leave.
- (j) Where a Teacher gives birth to a child whilst on unpaid leave (other than parental leave in relation to the birth of the same child) the Teacher will be entitled to unpaid parental leave in accordance with the Act. However, the Teacher will not be entitled to an additional 14 weeks payment in accordance with **paragraph 14.1(b)**.
- (k) Except as varied by this provision, the Act shall apply.

#### Notation

- (i) The Employers are of the view that parental leave should preferably commence on the day following the last teaching day of a term and conclude on the day preceding the first teaching day of a term.
- (ii) In order to facilitate the desirable practice referred to in paragraph (i) of this notation, the Employers are prepared to extend the time of parental leave beyond that maximum entitlement prescribed by the Act should the Teacher agree to return from parental leave at the commencement of the term immediately following the maximum period of leave required to be afforded by that Act.

### 14.2 Paid Parental Leave (Not Primary Caregiver)

- (a) Where a Teacher has an entitlement to and takes parental leave under the Act but is not the primary person responsible for the care of the child, the Teacher shall be entitled to paid parental leave in accordance with this subclause.
- (b) A Teacher shall be entitled to one day's leave with pay on the date of their child's birth, or on the day on which their child or the primary person responsible for the care of the child leaves hospital following the child's birth, or in the case of adoption, the date of the child's placement.
- (c) In addition to the entitlement in **paragraph 14.2 (b)**, the Teacher shall be entitled, subject to this subclause, to take paid parental leave in one continuous period not exceeding two weeks. The first week of such leave will be paid by the Employer and the second week of such leave will be deducted from, and will not exceed, the Teacher's entitlement to paid personal/carer's leave pursuant to **Clause 14 – Personal Carer's Leave**.
- (d) The Teacher shall be entitled to take such parental leave in the four weeks before the date, or expected date, of birth or placement of the child and not later than four weeks after the date of birth or placement of the child. Provided however that the Employer may, in exceptional circumstances, request the Teacher to take leave outside the period specified in this paragraph. If the Teacher chooses to agree to the Employer's request, such agreement will be recorded in writing. In the case of adoption, unless otherwise agreed by the Employer, the Teacher's entitlement to take paid parental leave cannot start earlier than the date of the child's placement

- (e) The entitlement to paid parental leave in **paragraphs 14.2(b) and 14.2(c)** is inclusive of, and not in addition to, the Teacher's entitlement to take unpaid parental leave in accordance with the Act.
- (f) The Teacher must, at least four weeks before proceeding on leave pursuant this subclause, give written notice of the dates on which the Teacher proposes to start and end the period of leave. The proposed dates may be varied by further written notice, subject to the provisions of **paragraph 14.2(d)** above.

### **14.3 Casual Teachers**

An Employer must not fail to re-engage a regular Casual Teacher because:

- (a) the Teacher is expecting the birth of their child; or
- (b) the Teacher is or has been immediately absent on parental leave.

The rights of an Employer in relation to engagement and re-engagement of Casual Teachers are not affected, other than in accordance with this clause.

For the purposes of this clause a regular Casual Teacher is a Casual Teacher who works for an Employer on a regular and systematic basis and who has a reasonable expectation of ongoing employment on that basis.

### **14.4 Right to Request Extension of Parental Leave**

A Teacher entitled to parental leave may request the Employer to allow the Teacher to extend the period of simultaneous unpaid parental leave up to a maximum of eight weeks or to extend the period of unpaid parental leave for a further continuous period of leave not exceeding 12 months.

### **14.5 Communication During Parental Leave**

- (a) Where a Teacher is on parental leave and a definite decision has been made to introduce significant change at the workplace, the Employer shall take reasonable steps to:
  - (i) make information available in relation to any significant effect the change will have on the status or responsibility level of the position the Teacher held before commencing parental leave; and
  - (ii) provide an opportunity for the Teacher to discuss any significant effect the change will have on the status or responsibility level of the position the Teacher held before commencing parental leave.
- (b) The Teacher shall take reasonable steps to inform the Employer about any significant matter that will affect the Teacher's decision regarding the duration of parental leave to be taken, whether the Teacher intends to return to work and whether the Teacher intends to request to return to work on a part-time basis.
- (c) The Teacher shall also notify the Employer of change of address or other contact details which might affect the Employer's capacity to comply with **paragraph 14.5(a)**.

## 15. Long Service Leave

---

### 15.1 Applicability of *Long Service Leave Act 1955 (NSW)*

Except in so far as expressly varied by the provisions of this clause, the provisions of the *Long Service Leave Act 1955 (NSW)*, will apply to Teachers employed under this Agreement.

### 15.2 Accrual of Leave from 30 January 2006

The amount of long service leave which a Teacher will accrue in respect of service performed on and from 30 January 2006 will be:

- (a) In the case of a Teacher who has completed:
  - (i) less than 10 years service, in respect of full-time service a Teacher will accrue 6.5 days per year of service; and
  - (ii) ten or more years of service, in respect of full-time service a Teacher will accrue 10 days per year of service.
- (b) A Teacher will be entitled to accrue leave in respect of part-time service as set out in paragraph (a) of this sub-clause on a pro rata basis according to his or her FTE (as defined in paragraph (c) of this sub-clause).
- (c) For the purposes of this clause the "FTE" is defined as the proportion which the number of teaching hours per week worked by a Teacher bears to the number of teaching hours which a full-time Teacher at the school is required to teach per week. (NB that this formula is the same as that which is utilised in **subclause 8.3 Payment of Part-time, Temporary and Casual Teachers** of this Agreement for calculation of payment of Part-Time Teachers).
- (d) A Teacher will be entitled to leave in accordance with this subclause together with leave accrued before 30 January 2006 pursuant to **subclause 15.3**.

### 15.3 Calculation of Accrual as at 29 January 2006

- (a) A Teacher whose employment commenced prior to 30 January 2006 will have accrued long service leave as at 29 January 2006 in accordance with previous applicable industrial instruments and legislative provisions.

A summary of the accrual rates pursuant to these provisions is set out below:

### Calculation of Entitlement:

Prior to 31 July 1985	0.866 weeks per year.
1 August 1985 to 30 January 1995	1.05 weeks per year up to 10 years of service. 1.5 weeks per year after 10 years of service.
31 January 1995 to 31 January 2001	1.3 weeks per year up to 10 years of service. 1.9 weeks per year, after 10 years of service.
1 February 2001 to 29 January 2006	1.3 weeks per year up to 10 years of service. 2 weeks per year after 10 years of service.

- (b) On and from 30 January 2006 long service leave accrual has reflected the differing patterns of work of Teachers within Catholic schools, whose teaching load changes from full-time to part-time and/or vice versa during their working career. To that end on 29 January 2006, all existing accruals were converted from weeks to working days.
- (c) The following formula was used to calculate the number of days of long service leave that a Teacher is entitled to as at 29 January 2006:
- (i) all full-time Teachers, as at 29 January 2006, had their weeks of accrued long service leave converted to days on the basis of one week of accrued leave equals five days of accrued leave;
  - (ii) all Part-Time Teachers, as at 29 January 2006, had their weeks of accrued long service leave converted to days by averaging the FTE (as defined in accordance with paragraph (c) of **subclause 15.2** of this clause) of the last five years of eligible service, comparing it with the current FTE (i.e. as at 29 January 2006) and using the higher figure for conversion to days.
- (d) Notwithstanding the provisions of this subclause, some enterprise agreements provided for different rates of long service leave in periods prior to 15 August 2001.

### 15.4 Entitlement to Long Service Leave and Payment on Termination

- (a) A Teacher will be entitled to take long service leave accrued in accordance with **subclauses 15.2 and 15.3** of this clause on the completion of 10 years' service with an Employer and on the completion of each additional five years' service thereafter.
- (b) In the case of a Teacher who has completed at least five years' service with an Employer and the service of the Teacher is terminated or ceases for any reason,

such Teacher will be paid their accrued long service leave calculated in accordance with **subclauses 15.2 and 15.3** of this clause.

### 15.5 Conditions of Taking Leave

- (a) It is the intention of the parties that the number of days of long service leave accrued by the Teacher can be taken at the Teacher's current FTE when the long service leave is taken.

For example, a Teacher works full-time for their first ten years of employment and then reduces to 2.5 days per week (0.5 FTE) for the next five years of their employment. The Teacher would accrue 65 days of long service leave for their first ten years of service and then 25 days of long service leave over their next five years of service, a total of 90 days long service leave. If the Teacher works 2.5 days per week (0.5 FTE) at the time they commence leave, the Teacher would be entitled to take their 90 days of long service leave over 36 weeks.

- (b) Where a Teacher has become entitled to long service leave in respect of the Teacher's service with an Employer, the Employer will give to the Teacher and the Teacher will take the leave as soon as practicable, having regard to the needs of the Employer, provided always that unless the Employer otherwise agrees, the Teacher will give not less than two school terms notice of the Teacher's wish to take leave, and further provided that the Employer will give the Teacher not less than two school terms' notice of any requirement that such leave be taken.
- (c) A Teacher may request and be granted leave without pay to be taken in addition to long service leave such that the total period of leave comprises a complete school term.
- (d) Long service leave will be exclusive of pupil vacation periods adjacent to or within the period of leave. Provided however that in the case only of a Teacher who wishes to take a short block of long service leave immediately before or immediately after a pupil vacation period but not in accordance with **subclause 15.10 Long Service Leave in Short Blocks**, then the Employer may impose that the leave is inclusive of the pupil vacation period adjacent to or within the period of leave.
- (e) Where a Teacher is entitled to an amount of long service leave which is in excess of a school term the Teacher may elect not to take that part of the long service leave which is in excess of a term (the deferred leave), until such time as the Teacher accumulates further entitlements which when taken together with the deferred leave enables long service leave to be taken for a whole term.

### 15.6 Public Holidays and Long Service Leave

A period of long service leave will be exclusive of a public holiday falling within it.

Notation: A contrary provision applied under previous applicable industrial instruments in place from 1 January 1985 until 7 December 2000.

## 15.7 Service

The service of a Teacher with an Employer will be deemed continuous notwithstanding the service has been interrupted by reason of the Teacher taking approved leave without pay (including unpaid parental leave in accordance with **Clause 14 - Parental Leave**), but the period during which the service is so interrupted will not be taken into account in calculating the period of service.

## 15.8 Payment in Lieu of Long Service Leave

Where a Teacher has an entitlement to long service leave and takes leave in accordance with the *Long Service Leave Act 1955 (NSW)* (that is, at least for a month) the Teacher and the Employer may agree that, in addition to payment for the long service leave taken, the Teacher may be paid an amount in lieu of any additional long service leave accumulated by the Teacher. The portion of long service leave that may be cashed out must not include the minimum leave entitlement under the *Long Service Leave Act 1955 (NSW)*.

Any payment arising from the conditions applicable in this subclause will be paid by the Employer upon the commencement of the Teacher's long service leave.

## 15.9 Long Service Leave and Leave without Pay

Where a Teacher takes long service leave for an entire school term and the Teacher wishes to take the following school term as leave without pay, the Employer will ordinarily consent to such arrangement where the Teacher has had five years continuous service with that Employer. However, such leave without pay will ordinarily be approved for terms in the same year.

## 15.10 Long Service Leave in Short Blocks

The Employer may permit Teachers to take long service leave in short blocks.

## 15.11 Long Service Leave Portability

Eligible Teachers are entitled to portability of long service leave as outlined in **Annexure 2 - Catholic Schools Intrastate Long Service Leave Portability Arrangement** of this Agreement.

## 15.12 Long Service Leave for Teachers who Elect to Receive Additional Superannuation

A Teacher who elects pursuant to **Clause 24 - Election Regarding Superannuation, Long Service Leave and Leave Loading** to receive additional superannuation and not receive annual leave loading and to receive a lower rate of long service leave shall be entitled to long service leave in accordance with the *Long Service Leave Act 1955 (NSW)*, that is 4.330 days per year of service, for the period during which the Teacher received the additional superannuation.

## 18. Dispute Procedures

---

- 18.1 The objective of these procedures is the avoidance and resolution of industrial disputation, arising under this Agreement and the NES, by measures based on consultation, cooperation and negotiation.
- 18.2 Subject to the provisions of the Act, disputes in relation to matters under this Agreement and the NES shall be dealt with in the following manner:

### **Step 1**

In the first instance the parties must make a reasonable attempt to resolve the dispute at the workplace by discussions between the Teacher or Teachers concerned and the Principal or nominee of the Principal.

### **Step 2**

Should the matter not be resolved at Step 1, then it may be referred by either party to the FWC, or any other person agreed between the parties, for conciliation, provided the party that refers the matter to the FWC has complied with their obligations in Step 1. During conciliation, the FWC may:

- (i) arrange conferences of the parties or their representatives at which the FWC is present; and
- (ii) require the attendance of the parties or their representatives; and
- (iii) arrange for the parties or their representatives to confer among themselves at conferences at which the FWC is not present; and
- (iv) if requested by the parties, make non-binding recommendations about particular aspects of a matter about which they are unable to reach agreement.

### **Step 3**

If the FWC is unable to resolve the dispute by conciliation, the FWC may then, on application by either party:

- (i) arbitrate the dispute; and
- (ii) make a determination that is binding on the parties.

Provided, however, that the party who has initiated the application to the FWC under Step 3 has complied with their own obligations under Step 1 and Step 2.

In arbitrating the dispute the FWC may only:

- (i) give directions about the process to be followed within the School to resolve the matter in dispute; and/or
- (ii) make a determination about a matter that is provided for under this Agreement or the NES; and/or
- (iii) determine the matter in dispute consistent with the the relevant provisions of this Agreement or the NES.

Note: If the FWC arbitrates the dispute it may also use the powers that are available to it under the Act. A decision the FWC makes when arbitrating a dispute is a decision for the purposes of Div 3 of Part 5-1 of the Act. Therefore an appeal may be made against the decision.

- 18.3 The School or the Teacher may appoint another person, organisation or association to accompany and/or represent them for the purpose of this clause. Where the Teacher appoints the Union, the Union shall be party to the dispute.
- 18.4 A Teacher who is party to a dispute must, while the dispute is being resolved:
- (a) continue to work in accordance with his or her contract of employment, unless the Teacher has a reasonable concern about an imminent risk to his or her health and safety; and
  - (b) comply with any reasonable direction given by the School to perform available work, either at the same workplace or at another workplace. If the School exercises its right to direct a Teacher to perform other available work, the School must have regard to:
    - (i) the provisions (if any) of the law of the Commonwealth or Territory dealing with work health and safety that apply to that Teacher or that other work; and
    - (ii) whether that work is appropriate for the Teacher to perform.

*(N.B. examples of changes in working arrangements include change in hours of work, changes in patterns of work and changes in location of work).*

### 23.2 The following are the circumstances:

To avoid doubt, and without limiting the above provisions, a Teacher who is a parent, or has responsibility for the care of a child, and is returning to work after taking leave in relation to the birth or adoption of the child, may request to work part-time to assist the Teacher to care for the child.

If the Employer refuses the request, the written response must include details of the reasons for the refusal. The Employer may refuse the request only on reasonable business grounds. Reasonable business grounds include, but are not limited to, the following:

  - (c) that it would be impractical to change the working arrangements of other employees, or recruit new employees, to accommodate the new working arrangements requested by the Teacher;
  - (d) that the new working arrangements requested by the Teacher would be likely to result in a significant loss in efficiency or productivity;
  - (e) that the new working arrangements requested by the Teacher would be likely to have a significant negative impact on student learning or the operation of the school.
- 23.6** If the Employer and Teacher could not agree on a change in working arrangements under **subclause 23.4**, the written response under **subclause 23.5** must:
- (a) state whether or not there are any changes in working arrangements that the Employer can offer the Teacher so as to better accommodate the Teacher's circumstances; and
  - (b) if the Employer can offer the Teacher such changes in working arrangements, set out those changes in working arrangements.
- 23.7** If the Employer and the Teacher reached an agreement under **subclause 23.4** on a change in working arrangements that differs from that initially requested by the Teacher, then the Employer must provide the Teacher with a written response to their request setting out the agreed change(s) in working arrangements.

- (c) If the Teacher does not make an election within the time provided in **paragraph 24.2(a)**, the Teacher will be deemed not to have made an election under **subclause 24.1** and will receive their long service leave at the higher rate of 6.5 days for less than 10 years of service and at 10 days for more than 10 years of service.
